

Martin Yale™ BT100 Banner Trimmer

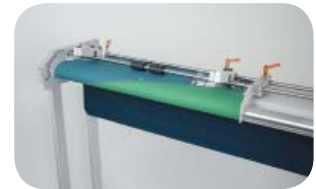

Product Information

Retractable cutting blades

Retractable cutting blades

Cuts various banner sizes

Features & Benefits

- Safety while trimming banners (no more open knives/scissors)
- Retractable, easily replaceable cutting blades using standard “off-the-shelf” box cutter type blades
- Accuracy - no more guess work while trimming, accurate cutting to within 1/16”
- Time efficiency - from start to finish, trim the banner in just minutes and reduce rework
- Variable size cuts - can handle almost any custom size banner
- Forward moving turn clutch that does not allow the banner to be rolled backwards
- Large, locking casters on one side to allow for easy movement in the workspace
- Manual handle, no external power is required
- Made in USA
